

2009 Under 14 Tour:

Schools we played against:

Swellendam High School	13 August 2009
York High	14 August 2009
Wittedrif High School	15 August 2009
Oakhill High School	15 August 2009

After writing a tough English exam, the touring party gathered in the gym hall. They were given a motivational pep talk by Mr. Price who appealed to them to keep the vision of the school in mind at all times. They then departed for Swellendam.

The tour was good overall. Moral was great and spirits high. Teams played with their heart and soul fighting all the way to the end. They looked good in their uniform tracksuits, t-shirts and caps.

The team stayed at Carpe Diem in George and traveled all the way to Wittedrif where the rugby team was triumphant against the local school team. Boys Hockey won their matches against Swellendam and drew to Oakhill in Knysna. The netball team lost to Swellendam as did the girls hockey team. The netball team did however beat both York High and Oakhill. Girls' hockey did not do so well losing all their games on tour but they have to be praised for the way in which they held their heads up.

As always, they enjoyed the sights of Victoria Bay and the entire Garden Route having had lunch at the Knysna Elephant Park.

The team displayed a level of good behavior at all times. This is often important when playing sport as it impacts on various levels of play.

Check out the website for stunning photos of the tour.
