

We are offering **YOU** a chance at a better future with our Masakh'iSizwe Bursary Programme

What is the Masakh'iSizwe Bursary Programme about?

At the beginning of 2006, the Western Cape Government Transport and Public Works established the Masakh'iSizwe bursary programme. The vision was to make cohorts of professionals in engineering and built environment fields critical to the growth of the economy available to the province, the country and the continent of Africa. These professionals would be characterised by excellence in learning, citizenship and service.

Which bursaries are offered through the Masakh'iSizwe Project?

Masakh'iSizwe offers bursaries for studies towards a degree or higher diploma in the following disciplines:

- Architecture
- Construction Management
- Civil Engineering
- Electrical Engineering
- Mechanical Engineering
- Quantity Surveying
- Town and Regional Planning
- Transport Economics

What does the bursary cover?

BETTER TOGETHER.

Will I have to pay anything back?

The bursaries are offered on a work-back basis. In other words, you will have to work for the public service for every year of the bursary. During your studies you will also need to:

- Attend workshops, learning events and meetings
- Undertake academic vacation placements
- Take part in service learning and/or volunteer programmes

Who can apply for a bursary?

To apply for one of these bursaries you must be:

- A South African citizen
- Preference will be given to financially disadvantaged female learners from rural areas of South Africa.
- Be accepted at the relevant tertiary institution.
