

Revision sessions for Matric finals

Date	Work to be revised
22 Oct	Aspects of DNA structure, Protein synthesis and Meiosis
29 Oct	Human Impact
5 Nov	The Nervous System and sense organs
12 Nov	Genetics
19 Nov	Human Evolution

- Please consult the noticeboard outside Mrs Earl's room for specific details of venues.
- If you need help with smaller sections or other areas, please approach us in what would have been your Life Sciences lesson. Alternatively approach your Life sciences teacher to set up a revision slot.

Good luck with your final preparation!
