WYNBERG STORE MOVE TO RONDEBOSCH - 1 DECEMBER 2016

Over the last 2 years Wynberg has become extremely run down, unsafe and unsuitable for customers to shop. We have received several complaints from customers asking us to find alternate premises.

We have secured larger premises at Rondebosch Main Shopping Centre. The centre is modern, safe and conveniently located on Rondebosch Main Road in close proximity to public transport. We will have the convenience of same level parking (P3) for our customers. We have taken large premises and refurbished our shop to improve the shopping experience for your parents.

We will open on 1st December 2016, and will be closed on 29th and 30th November for the move from Wynberg to Rondebosch.

We will be providing you with A5 brochures to hand out to your parents by 18th November latest as well as an electronic PDF to send to parents. Please could you kindly ensure that this is handed out to parents to try and avoid the inconvenience of them visiting our Wynberg store after 1st December 2016.

Our sincere apologies for the late communication regarding our move however it has taken us some time to secure suitable premises.

We thank you for your understanding which is much appreciated. Please do not hesitate to contact Belinda de Waal (021 762 1075), Gerrit Visser (021 686 1541) or myself (021 705 3804) should you need to discuss anything or should you require any further detail regarding the move.

The telephone numbers effective from 1st December will be 021 686 1541/2.

We look forward to welcoming you personally at our new store.

Kind regards
